

Welcome to Ängby Summercamp 30 july – 4 august 2023

"Updated information 25/7-2023"

Hi!

In the last information it was a couple of mistakes due to timeschedule

On Sunday july 30 Group B,C and F meets in the A-hall 09:30 for information.

On Sunday july 30 Group A, D and E meets in the cafeteria 11:30

As you can see in the "TIMESCHEDULE" all groups change times every second day.

We have also made alot of changes in groups. This is because we got some canselations from Latvia and Ireland and we have replaced them with other players on the waitinglist.

Check-out wich group you now belong to now. This is how we start the camp. Of course the coaches can move players up and down between groups during camp to make the best out of this week.

We have also made "PRELIMINARY GROUPS OF COACHES" who will work together.

I hope you have got all information you need and i once more welcome you to Ängby Summercamp 2023.

Earlier information. With a number of 177 players and 18 coaches this is the biggest summercamp ever. Me and our staff and all coaches will do our best to give you a great week.

We are glad to welcome everyone to our summercamp, many of you have been here before but many of you are new this year..

Some small groups and players coming by their own will be put together with other groups in classrooms.

Dinner: As last year we don't have any dinner at the camp so everyone must organize that himself. There is plenty of restaurants in Vällingby center.

Arrival: We will be in Vällingbyhallen between 12:00-16:00 on Saturday 29 July and from 16:15 we will be in the school so you can check-in. Please tell me in advance when you expect to arrive so we know.

There is 1-2 girls taking care of breakfast and other stuff in the school. They are there 16:00-11:00
The nightguard is in the school between 22:00-06:30

Vällingbyschool: Will be closed in the middle of the days between 11:00-16:00.
This means that you can not go there between your practice sessions.

Practice groups: Will be done 1-2 weeks before the camp and mailed out.

Group A and B will share the A-hall (18 tables) but different hours.
Group C and D will share the B and C-hall (17 tables) but different hours
Group E and F will share D-hall (9 tables) but different hours
Totally we play on 44 tables in four different halls.

- Physical exercise will also be done during camp so prepare yourself to be in good condition to make a great camp and tournament.

One of the main issues every year is discussions about who is going to be in the different groups. It seems like everyone wants to be in the best group but that is as you understand not possible.

We will make good groups for everyone and you will find many new friends at the camp.

Timeschedule: Will be sent out soon. We are still working on it because we have to make some changes since last year so we can have different lunchhours for each group now when we are so many players.
