SEEDING

All Sweden Tour PRO events shall be seeded in accordance with the SBTf Competition Regulations. The current Swedish ranking list will form the basis for seeding, both for Swedish players and for foreign players with a Swedish ranking.

For foreign players without a Swedish ranking, the tournament management will make a preliminary seeding, which will then be reviewed by the SBTf Seeding Committee.

EVENTS

The Men's & Women's singles, 18, 16, 14, 12 and team competitions will be played in groups of 4 or 3 players/teams. The top 2 players/teams from each group will advance to the knock-out playoff stage. All matches are decided by the best of 5 games to 11 points.

Please note that we have VIP-seeded players directly sent to play-off in the following events; Men's single, Women's single, 18 and 16.

TEAM COMPETITION EVENT

We will be using the Davis Cup system (2 singles, 1 double, and 2 singles) – first to 3 wins. A third player may take part in the doubles match. In the girls' event, there will be a consolation play-off since the U13 and U15 categories will be played together.
