

INFORMATION

To all players, coaches, parents

Welcome to Ängby Summercamp 2024

Attached in this mail is an excel file with 3 pages. Practice groups, Coaches and a PRELIMINARY timeschedule

We are 184 players, 20 coaches, 1 headcoach and 1 physical coach

All players are right now divided into 2 halves that has different timeschedule all days. At Sunday meeting you will be divided into practice groups

Group A, D, E, H starts Sunday 09:45 in the A-hall in Vällingbyhallen

Group B, C, F, G starts Sunday 11:45 in the ??????? (place will be updated) in Vällingbyhallen.

Breakfasts is served in school for them who stays over

Lunches is served in cafeteria in Vällingbyhallen

All players shall bring indoor and outdoor practice clothes, shoes for indoor and outdoor/physical exercise practice

The timeschedule is not final and will be updated for all Sunday morning.

In the school we have **Asta Gudjonson** taking care of all players and coaches and serves breakfast.

Each night we have **Nikola Jovanovic** as a nightguard in the school

Lunches is served by **Emilie Erksén**

During the breaks between practice we will have some activities led by **Johanna Johanson**

VERY IMPORTANT! It is very hard to make all practice groups for 184 players and everyone cannot think it is perfect. My ambition has been to make groups with players from different clubs and countries as long it has been possible, all players in one group is not at the exact same level but I hope now that there enough even players to make good practice.

During Sunday all coaches will see all players and then they can make changes in groups if I have made big mistakes. The groups are not 100% settled.

Check-in at school is from 16:00 on Saturday. Please contact us if you are arriving late or on Sunday.

IMPORTANT 2! There is no dinner served at camp so everyone must take care of that themselves. There is restaurants in Vällingby and Blackeberg.

IMPORTANT 3! The school is 2 subway stations from the practice arena so everyone must have a subway/card. I will check how it is easiest to buy that and send out before we start.

If you have any questions mail me at kansliet@angby.com

If you havent entered to the tournament "Ängby Summerpool" Friday-Sunday you must do it not later than tomorrow by E-mail to me.

If you havent paid yet and have questions about that send me an E-mail

Once again welcome to the biggest Ängby summercamp ever.
