BUTTERFLY

Welcome to one of the biggest training camps in Europe - a camp for all ages, from players who have been playing for a couple of years to national team level players. This year the camp runs for six days, followed by our annual two-day tournament, 'Ängby Summerpool'.

All players will be treated individually, with a strong focus on their main areas of improvement at the table.

All players will receive: ♦ Multi-ball practice ♦ Physical training ♦ An evaluation and individual development plan to bring home ♦ Brain training and relaxation (optional).

All players will be evaluated at the end of the week.

As always, we will have a high number of professional coaches from different countries, ensuring that every participant develops their table tennis skills significantly. You will be seen and supported – both as a player and as an individual. And you will definitely have fun!

Our experienced coaching team comes from different countries and table tennis cultures, making this camp an innovative international melting pot of excellent standard."

With over 20 years of experience in table tennis, I have served as Head Coach and Director of Sports at Astorps BTK since 2015. In addition to my club work, I have coached the El Salvador national team and currently work as a coach developer for both the Skåne Table Tennis Federation and in Bornholm. I have competed internationally for Sweden and also run an online coaching platform through my YouTube channel, Pingispågarna. In 2026, I was selected as one of three finalists for "Coach of the Year" in northwestern Skåne among all sports. I hold a bachelor's degree in social science, with a specialization in neurodevelopmental disorders and sports psychology, which I actively integrate into my coaching philosophy.

We look forward to meet you at
Ängby Summercamp & Summerpool 2026!!
